APPLICATION FOR WATER SERVICE:

¹Email is used for emergency notifications; you may add as many emails as you like.

The monthly minimum is always charged and there is no prorating. No deposit required.

After application is complete, the meter is read within 24 hours and confirmed that water is on. This reading is used as the starting number for new homeowner. If the house is vacant or unoccupied a person with access to the house will be required to be present during the initial turning on of the meter to ensure that there were no open valves in the house.

Meters are typically read around the 15th of the month each month and billed within two business days. If you do not receive your bill by the 3rd working day after the billing date, please call the office to receive a duplicate and/or find out the amount of your bill so you can pay by the due date.

If you dispute any aspect of a bill and want to avoid additional charges and/or collection actions, you must call the billing office at 540-825-2781 at least five days prior to the due date of this bill.

If the total due is **NOT PAID BY THE DUE DATE**, a \$1.00 or one and a half percent (1.5%) fee, whichever is greater, will be added to your balance due. Bills are due on the 5th of each the month.

Return check fee is \$35.00.

If the account balance is **NOT PAID IN FULL 10 DAYS AFTER THE DUE DATE**, a service order to **DISCONNECTED WITHOUT FURTHER NOTICE** will be entered.

Once a service notice to disconnect or cut-off by reason of non-payment has been processed, a reconnection fee (\$200.00) shall be added. **ALL CHARGES APPLY ONCE THE SERVICE NOTICE TO DISCONNECT HAS BEEN PROCESSED.** The service does not have to be physically disconnected for the charges to apply. Disconnected services shall not be turned on until all fees and bill amounts are paid in full. Payments received prior to 3:30 p.m. on a business day shall be reconnected that same day. After hours services may be available for an additional fee.

All fees and procedures are subject to change as established and set by Commonwealth Utilities, Inc.

For your convenience we accept: Cash, Check, PayPal, Credit Cards and Auto Debit. A night deposit (slide through door) is available at Country Water Systems at 123 W. Spencer Street, Culpeper.

In the event you move it is the customer's responsibility to make arrangements with Commonwealth Utilities, Inc. to get the final meter reading. The bill is generated immediately and is due within 15 days of departure. If a balance is owed upon final termination of the utility service and it is not paid within 15 days of rendering the bill, you are subject to a delinquent bill, all applicable service charges and reasonable attorney's and/or collection fees necessary to collect said bill.
